

**ST ANDREW'S
COLLEGE**

FILMING

ABOUT US

St Andrew's College is a residential college located within the University of Sydney. Located just five kms from Sydney CBD, and within walking distance of Newtown, a suburb renowned for award-winning coffeeshops, historic pubs and boutique shops.

A unique heritage-listed venue provides a dramatic backdrop for filming and photography.

Drone shooting can be arranged upon request.

WHAT WE OFFER

FILMING & PHOTOGRAPHY

As a heritage listed site, St Andrew's also provides a dramatic backdrop for filming and photography and makes it one of the most unique venues in Sydney.

We can accommodate large commercial projects, feature films, documentaries and portrait shoots. We offer a spectacular iconic site, as well as heritage listed libraries, boutique meeting rooms, stained glass windows, outdoor sport facilities, bedrooms and wide common spaces as the backdrop for any filming projects.

Make up and wardrobe rooms can easily be arranged by our Events Team for your convenience.

PARKING

We have a private parking lot available for more than 20 cars, vans and trucks to suit your project needs. During summer more than 100 spots are available onsite

Parking for 3-4 large trucks
available next to the main
building

APPROVAL PROCESS

If you plan to undertake any filming, interview or photography at the St Andrew's College you will need to apply for a permit.

Simply contact our Events Team by phone or email, and they will check availability and provide you with a customised quotation. To assist with your venue hire enquiry, please tell us what kind of venue you are looking to have.

Our friendly and knowledgeable staff will gladly assist on the best location for your shoot and create a smooth experience for your crew at the College.

We recommend a minimum of ten business days to process requests.
